A TRIBUTE

The Patrons of the Library Room of the Newbury Public Library located at Memorial Hall in Newbury will no longer be served by Mrs. Etta Spaulding as Librarian.

Mrs. Spaulding who is 86 years old was appointed Librarian for that part of the Town Library in February 1928. Since then she has faithfully served the patrons at that end of the town until her illness last summer made it necessary to appoint a substitute. Her readers included the many summer people who come to our town each year as well as the townspeople, and to each she always extended a cordial welcome.

During the years she has served she has had a special interest for the type of book each individual reader liked and made a special effort to have a good selection on hand when they came to the library. She has also taken pride in her juvenile collection. Since the children in the four lower grades are taught at the Newbury Center School this meant material for their age group and she has carefully helped them select the right ones.

As Library Trustees and in behalf of the Town, it is with deepest gratitude that we set aside this page in our annual Town Report as a tribute to Mrs. Spaulding honoring her faithful service in the library, and the commendation of her many patrons will verify our act.

ANNOUNCEMENT BY LIBRARY TRUSTEES

December 31, 1951

For the Town Records and the Townspeople:

Your library trustees take this way to announce the appointment of Mrs. Helen Nye of Newbury as Librarian at Memorial Hall. Mrs. Nye who has been substituting since the illness of Mrs. Spaulding received her official appointment as of Jan. 1, 1952. We feel confident that she will continue to serve the patrons with the same sincerity as that of her predecessor.

Library is open every Wednesday afternoon.

Mrs. Mertie Rowe is Librarian at the South Newbury room of the Town Library located on the second floor of the Town Office building.

Library is open every Monday afternoon.

In buying books your trustees have tried to make a selection that will appeal to every type of reader and we urge you one and all to use your library. The facilities of either or both are at your command.

DARTMOUTH-LAKE SUNAPEE REGION ASSN.

A Possible Budget for December 1951 to March 1953

Cash in bank, December 1, 1951		$600.00
To be collected from 1951 Appropriations		1,100.00
Total Cash on hand, December 15		$1,700.00
To be voted in 1952 Town Meetings between $3500 and $4500. To be safe we shall assume (1)		3,100.00
Total income for use—December 15, 1951 to March 1953 (plus sustaining memberships) ..		$4,800.00
Relatively Fixed Expenses:		
Secretary's Travel	$500.00(2)	
Clerical Expense	500.00	
Postage	600.00	
Telephone	200.00

(1) The towns will vote $700 to $1200 more than this amount, but in planning ahead we must be on the safe side. Every dollar income above this amount will mean many times that amount in publicity value.

(2) The executive secretary's salary is paid by the State of N. H. and means that your town receives the benefits of his work for nothing.

(3) At least 60% of this total is for publicity and promotion activities.

SUNAPEE MOUNTAIN FISH AND GAME CLUB

Newbury, New Hampshire

Report—January 19, 1952

To the Selectmen

Town of Newbury, N. H.

Enclosed find statement of fish bought by the Sunapee Mt. Fish and Game Club with the moneys raised by the town for that purpose. Such fish to be planted in Newbury waters.

This has been done as agreed. 3,150 six-inch brook trout were put into Chalk Pond the 8th of October, 1951. Cost, $800.00.

Through the efforts of the club, Blodgett Brook at Blodgett Landing and Chandler Brook at Mt. Sunapee have been opened by the State to fishing in 1952.

This is the first time in about twenty years that these brooks have been opened.

Attached you will find rulings made by the State covering said brooks, taken from Fishing Laws and Regulations effective to December 31, 1953.

Sunapee Lake tributaries of Newbury and New London: Closed to all fishing, except Blodgett, Chandler, and Mountain Brooks in Newbury where trout only may be taken.

Mountain Brook, Newbury: Open to trout fishing. Closed to all smelt fishing.

Chandler Brook, Newbury: Open to trout fishing. Closed to all smelt fishing.

Blodgett Brook, Newbury: Open to trout fishing. Closed to taking smelt.

As the Club only has a checking account, is the reason that no interest was shown on the purchase of fish.

As acting President, I wish at this time to thank the Selectmen for their co-operation and the Tax Payers for their generosity. Here's to better fishing in the Town of Newbury.

Yours truly,

CLARENCE B. PERRY
President

This report does not show the amount of food donated by individuals. Neither does the balance sheet record the value of the time and energy donated to the program by the members of the committee and others, without which this program would not be possible. There is also no way to record the cash value of the commodities which we receive from the Department of Agriculture.

We wish to report that our program was very successful this year, also that with the addition of the freezer, we are able to buy wholesale and keep our foodstuffs in the new freezer. We also wish to thank all the parents for their cooperation in the hot lunch program.

Last spring a Parent-Teacher Association was started in Newbury with George Allen as the first President. Although the group is small because of a small school enrollment, it has been quite an active and enthusiastic group. The group has taken as their major project the improvement of dental health in the schools and a great deal of conscientious work has been done to arrange for fluorine treatment and for a dental clinic. The programs have been very interesting and worthwhile.

The large number of people who turned out to the meeting in which Miss Bailey demonstrated the music work in the schools really had a fine treat. Although I have seen this work many times I never cease to be thrilled at the progress the children have made in their music. The demonstration of the piano lessons was a real joy. What a different way to learn a scale. A good example that learning can be fun.

I would like to emphasize that the Parent-Teacher Association is open to *all* people in Newbury. One does not have to have children in school or even have children. The only qualification is an interest in the welfare of the children in Newbury.

The shortage of elementary teachers remains a serious problem. Each spring the students graduating from the teachers' colleges are demanding and getting higher salaries. We have been fortunate in Newbury in having the same teachers for the past four years. It is much better to have this continuity than having a continual change of teachers. A rapid turnover of teachers is not helpful to a good teaching situation.

I have enjoyed working with the pupils, teachers, school board and parents of Newbury and might add the children of Newbury are taking an important part in the activities of Simonds High School. They have done well, both in the classroom and in the outside activities.

Only YOU can PREVENT Forest Fires

New Hampshire faces a real forest fire problem and challenge! To meet it successfully New Hampshire and your community needs YOUR thoughtful and cooperative effort.

Continuously heavy lumbering operations following the hurricane has produced more than 4 billion board feet of lumber. This lumber helped win World War II, meet post war needs and now the current requirements for the Korean military action. But it has added nearly 900,000 acres of slash to our already sizeable slash problems.

When YOU fail to use needed precautions while burning in or near woodlands—

When YOU fail to secure the required permit from your local forest fire warden before burning—

When YOU are careless in smoking in or near woodlands—

When YOU throw lighted cigars, cigarettes and matches from vehicles moving along the highway—

YOU and YOU and YOU are violating fundamental common sense and may easily contribute to a substantial and costly fire. Such conflagrations are possible because of the hundreds of thousands of slash acres throughout the state!

REMEMBER—the fire YOU and YOU and YOU prevent might be one which could conceivably burn YOUR property and harm YOUR community!

ONLY YOU and YOU and YOU can prevent forest fires! Will you help!
